

24 HOUR THEATER!

Who can participate? Any and all students who have an interest in writing, directing, acting, or being a crew member (just for one day). Everyone is welcome whether you are a long time thespian or just curious about what the theatre is like! There is no audition and no past experience in the theatre is necessary. It takes a lot of people to make productions happen! Here's your chance to find out exactly what goes on behind the scenes. If you have any interest, don't hesitate to sign up!

What is it? It's a group of all student run productions put together in 24 hours! Student writers gather the night before and write new plays in just 12 hours! The next morning, directors, actors and crew—all students—arrive, receive the plays (written especially for the a set group of actors), and rehearse for another 12 hours. That evening, the plays are performed for the public in the Little Auditorium.
